

WADSWORTH SOLUTIONS
Providing Solutions for Secure, Energy Efficient Environments

Introducing
the next generation in
industry-leading VRF technology

The Future of VRF

Now Available at Wadsworth Solutions!

Wadsworth Solutions is proud to announce our new partnership with LG, as the Applied representative for VRF in Northern Ohio. As one of the industry's fastest growing market leaders, LG's cutting edge VRF products offer many advantages over their competition.

Their innovative comfort technology, offers a quiet, energy efficient, low maintenance, flexible, stylishly unobtrusive commercial air conditioning system ideally suited for:

LG
Life's Good

- Retail Spaces
- Office Buildings
